is the colours; the glorious spectrum of reds, oranges, yellows, golds and browns that greet you in the crisp outdoors. It seems only right that one's wardrobe should reflect the seasonal palette. Enter cherry woolens from Connolly, burgundy leather from Nynne, rust-coloured knits from Loro Piana and pumpkin-hued double-breasted coats from Prada. Summer is *so* last season.

Cooling-off time

Summer has come to an end. It might sound controversial, but seeing the back of beachwear and saying farewell to florals isn't necessarily a bad thing. It's time for knitwear, conkers and leaves crunching underfoot. The best thing about autumn, though,

Loro Piana
