SUMMER OF

Valentino
Yellow multicolour
printed twill dress
valentino.com, £1,290

Edited by Anna Solomon

IT WAS THE HOTTEST British summer on record. The Rolling Stones played to 200,000 people at Knebworth and Studio 54 was in its pomp. Some parts of the Seventies can't be replicated in 2020, but Louis Vuitton, Paco Rabanne and Altuzarra all paid homage to the decade at pre-Covid runway shows. With flowing dresses, florals, print shirts, flares and tinted glasses, you can too.
